

VISION

The vision of Time to Revive is to urge believers to embrace their relationship with Jesus and to share the Truth that transforms lives.

MISSION

Time to Revive, through the Holy Spirit, exists to spark authentic revival in all 50 United States of America, one city at a time, one believer at a time, so that the Gospel may be boldly declared to both Gentile and Jew, in preparation for the return of Christ.

OUR APPROACH

Time to Revive's "reviveCITY" process, is a six-phase approach that provides the practical framework to accomplish the mission. The entire process is dependent on the leading of the Holy Spirit and is subject to change with His direction.

Phase 1: scoutCITY

Time to Revive only pursues its mission in one city per state, and only with an invitation to do so. When the invitation by an individual or group is extended, a "scouting trip" is initiated to the city to determine the Lord's desire for Time to Revive to pursue revival there. If the Lord does not confirm our steps, Phase 2 is not commenced.

Phase 2: prepCITY

Three to five trips are conducted to research a city and "prep" the reviveCITY team for phase 3. Prayer momentum in and for the city builds during this phase.

Phase 3: prayCITY

During a week of prayer, the reviveCITY team asks the Lord, "How do You want us to reach this city?" If the Lord answers, phase 4 will commence. If He does not answer, we continue to pray, or wait to return to the city.

Phase 4: trainCITY

Five training sessions are hosted to prepare the reviveCITY team to engage their city with the Gospel of Jesus with the method revealed by the Holy Spirit during prayCITY.

Phase 5: engageCITY

Now that the reviveCITY team is equipped, a week of intense outreach sparks ongoing evangelism and discipleship in the city. This week is a catalyst for ongoing evangelism and discipleship in the city that spreads throughout the entire state.

Phase 6: follow-upCITY

Follow-up is necessary for the mission to continue in the city and spread throughout the state. Time to Revive continues to monitor the mission through ongoing dialog and visits as led by the Holy Spirit.

"REVIVE ME, O LORD, ACCORDING TO YOUR WORD."
